About Me

BS Data Science student at IIT Madras with strong organizational and teamwork skills. Passionate about city exploration, logistics planning, and creating engaging student experiences. Looking to contribute energy, reliability, and leadership to Boundless as part of the City Operations core team.

Work Experience

2025

WATERFALL TRIP WITH FRIENDS

Organized group trips by planning travel, budgeting, and coordinating safety and schedules. Developed teamwork, leadership, and problem-solving skills through real-world planning experience.

2023

EVENT MANAGER, SCHOOL ANNUAL FEST

Planned and coordinated multiple activities for the school annual fest, managing logistics, team responsibilities, and event schedules. Collaborated with students and teachers to ensure smooth execution and strong participation.

2021

FAREWELL MANAGEMENT

Part of the organizing team for the school farewell event, handling stage coordination, program flow, and participant management. Helped ensure the event ran smoothly and on time.
